## WEEKLY PRAYERS FOR THE YEAR

As the Word of God urges us to Pray without ceasing, it is therefore a must for every believer to commit to praying daily. Praying daily gives us an opportunity to share all aspects of our lives with God, to express our gratitude for the things He has provided and for confessing our sin and asking for help in overcoming that particular sin. Daily prayer is a good way to understand this incredible truth and the marvelous privilege God has given us.

In this book I am going to share with you 52 weeks of prayer for the whole year.
